Summer Book Study: *Everything Happens for a Reason: And Other Lies I've Loved*, by Kate Bowler

Join Pastor Karl for two Wednesdays, **August 22 and August 29 at 7:00 in the Nursery**. We will have two discussions about this memoir of a Duke University Seminary Professor in her late thirties who is fighting stage 4 cancer. The short book is touching, funny and asks good questions about where is God when all this happens to us and how can we serve each other best when we are in need. To participate best in the class, the book should be read before the first class. We will spend the first week talking about the book, sharing our favorite parts and asking the questions it brings. We will spend the second week addressing some of those questions about faith and God specifically, if not finding answers at least wondering together. This is one of my favorite books I have read this summer and I am eager to share it with you. Books are available in the Welcome Center for you to purchase (\$15.00) or you can purchase it online or at Barnes and Noble.

Help With Our Sign

Many who visit Messiah do so because they have passed our road sign for months and have read about our many ministries. For the last few years, Mike Sneed has weekly changed the sign on Monday morning to announce to the world the work of our church. Mike would like to pass this on to someone new. If you are available on Sunday afternoon or during the day on Monday to do this good work, please contact a pastor. To change the sign takes about 30 minutes. We also have several substitutes for weeks you would have to miss.

This morning's altar flowers are given to the glory of God and are presented by Judy Hodge in memory of her parents on their wedding anniversary.

Please keep in your prayers. . .
